

MSDS NO.: F001T260330013
Creation Date: March 30, 2026

Applicant: SHANGHAI ANGMI NEW MATERIAL CO.,LTD

Address: 9th Floor,Yuntong Building, No 3285 Shengxin Road,JiaDing Area, Shanghai,China

Product information:

Product name: PVC EDGE BANDING

Product model: None

Product ingredients/materials (provided by applicant): See section 3" Composition/Information on Ingredient"of below attached Material Safety Data Sheet (MSDS)

Edit date: 30/3/2026

Required services : Prepare below MSDS report according to the sample data provided by the applicant.

Abstract : As specified by the client, This safety data sheet was prepared in accordance with Globally Harmonized System of Classification and Labeling of Chemicals (GHS) Rev11. Please refer to the attached report for details.

Signed by:

Shanghai Fajin Testing Technology Co.,Ltd

Material Safety Data Sheet (MSDS)

In accordance with GHS Rev. 11

Section 1 - Chemical Product and Company Identification

1.1 Product Identification:

Product Name: PVC EDGE BANDING
Product Model: None
Product description: Multicolored strips solid, No special odor

1.2 Relevant identified uses of the substance or mixture and uses advised against

Identified uses: Home Decoration Accessories
Use advised against: Edge banding environmental limitations: Not suitable for high-temperature environments. Long-term exposure to temperatures exceeding 60 °C may cause softening, deformation or degumming.

1.3 Details of the Manufacture or supplier

Manufacturer: SHANGHAI ANGMI NEW MATERIAL CO.,LTD
Address: 9th Floor,Yuntong Building, No 3285 Shengxin Road,JiaDing Area, Shanghai,China
Telephone: +86-21-59905715
Email: emily.gu@angmigroup.com

1.4 Emergency telephone number

Emergency Telephone: +86-13681945604

Section 2 - Hazards Identification

2.1 Classification of the substance or mixture

GHS Classification: The product is not a hazardous substance according to "Globally Harmonized System of Classification and Labeling of Chemicals (GHS)".

2.2 GHS Label elements, including precautionary statements

Pictogram(s): None
Signal Word: None
Hazard Statement: None
Precautionary statements: None

2.3 Description of any hazards not otherwise classified

No information available.

Section 3 - Composition/Information on Ingredient

Substance () Preparation () Article (✓)

Composition:

Chemical name	CAS No.	Content (%)
Polyvinyl Chloride (PVC)	9002-86-2	75%
Polyacrylate	-	2.5%
Terephthalates	-	1.5%
Calcium carbonate (CaCO ₃)	471-34-1	17%
Iron oxide	-	2%
Titanium dioxide (TiO ₂)	1317-70-0	1%
Silica (SiO ₂)	7631-86-9	1%
Calcium-zinc stabilizer	-	
Pigments	-	

Note: CAS No. is Chemical Abstract Service Registry Number.

Section 4 - First Aid Measures**4.1 Description of first aid measures:**

Eye Contact: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Skin Contact: Remove/Take off contaminated clothing. Gently wash with soap and water. If skin irritation or rash occurs: Get medical advice/attention.

Inhalation: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Get medical advice/attention if you feel unwell.

Ingestion: If swallowed: Rinse mouth with water. Get emergency medical help immediately.

4.2 Most important symptoms and effects, both acute and delayed

The most important known symptoms and effects are described in section 11.

4.3 Indication of any immediate medical attention and special treatment needed

Treat symptomatically and supportively.

Section 5 -Extinguishing media**5.1 Extinguishing media**

Suitable extinguishing media: Use water, foam, carbon dioxide, dry powder, sand to extinguish fire.

Unsuitable extinguishing media: None.

5.2 Special hazards arising from the substance or mixture

Non flammable and explosive dangerous goods.

5.3 Advice for firefighters

Wear self-contained breathing apparatus and full protective gear. Put out the fire in the upwind direction to avoid generating dust. Do not breathe gas or fumes, cool containers with water mist, and remove unopened containers from fire in time.

5.4 Further information

Use water fog to cool down unopened container involved in fire. Prevent fire extinguishing water from contaminating surface water or the ground water source.

Section 6 - Accidental Release Measures

For guidance on selection of personal protective equipment see Chapter 8 of this Material Safety Data Sheet. See Chapter 13 for information on disposal. Observe the relevant local and international regulations.

6.1 Personal precautions, protective equipment and emergency procedures:

Ensure adequate ventilation. Remove all sources of ignition. Evacuate personnel to safe areas.

6.2 Environmental precautions:

Prevent further leakage or spillage if safe to do so. Do not let product enter drains.

6.3 Methods and materials for containment and cleaning up:

Collect solid residues. Gather the spilled product and keep in suitable, closed containers for recycle or disposal (see section 13).

Section 7 - Handling and Storage

7.1 Precautions for safe handling:

When handling, do not eat, drink or smoke. Protect the container from physical damage. Keep away from fire and heat sources.

7.2 Conditions for safe storage, including any incompatibilities:

Store in a cool, ventilated warehouse. Keep container tightly closed and away from fire and heat. Storage areas should be equipped with emergency release equipment and suitable containment materials.

Avoid contact with strong acids, strong alkalis, strong oxidizing substances.

Section 8 - Exposure Controls, Personal Protection

8.1 Exposure Limits: No data available.

8.2 Exposure controls

Engineering Control: Provide local exhaust equipment.

Personal protective equipment:

Respiratory Protection: For normal contact, no special protective measures are required. Choose an appropriate filter respirator according to the working environment.

Eyes Protection: For normal contact, no special protective measures are required. Wear protective glasses when overexposure is at risk.

Body Protection: For normal contact, no special protective measures are required. Wear work clothes.

Hands Protection: For normal contact, no special protective measures are required. Wear safety gloves.

Other Protections: Wash hands with soap and clean water after handling. Keep the workplace clean. Pay attention to personal hygiene.

Section 9 - Physical and Chemical Properties

Information on basic physical and chemical properties

Appearance	Strips solid
Color	Multicolored
Odor	No special odor
pH	N/A
Melting point/freezing point	N/A
Initial boiling point and boiling range	N/A
Flash point	N/A
Evaporation rate	N/A
Flammability	Non-inflammable.
Upper explosive limit %(V/V)	N/A
Lower explosive limit %(V/V)	N/A
Vapor pressure	N/A
Vapor density	N/A
Relative density(water=1)	N/A
Solubility(ies)	N/A
Partition coefficient: n-octanol/water	N/A
Ignition temperature	N/A
Decomposition temperature	N/A
Viscosity	N/A

Section 10 - Stability and Reactivity

10.1 Stability: Stable under normal storage temperature and pressure.

10.2 Conditions to Avoid: High temperature, heat source, ignition source.

10.3 Incompatible materials: Strong acids, strong alkalis, strong oxidizing substances.

10.4 Hazardous Decomposition Products: No data available.

10.5 Possibility of hazardous reactions: None hazardous reactions known under normal condition.

Section 11 - Toxicological Information

Acute Toxicity:	Based on available data, the classification criteria are not met.
Skin Corrosion/Irritation:	Based on available data, the classification criteria are not met.
Serious Eye Damage/Eye Irritation:	Based on available data, the classification criteria are not met.
Respiratory or Skin Sensitization	Based on available data, the classification criteria are not met.
Germ Cell Mutagenicity	Based on available data, the classification criteria are not met.
Carcinogenicity:	None of the components of this product is listed as a carcinogen by IARC, NTP, US OSHA.
Reproductive Toxicity:	Based on available data, the classification criteria are not met.
Specific Target Organ Toxicity - Single Exposure (Globally Harmonized System):	Based on available data, the classification criteria are not met.
Specific Target Organ Toxicity - Repeated Exposure (Globally Harmonized System):	Based on available data, the classification criteria are not met.
Aspiration Hazard:	Based on available data, the classification criteria are not met.
Potential Health Effects:	None.
Inhalation:	Normally there are no obvious symptoms or effects.
Skin Contact:	Normally there are no obvious symptoms or effects.
Eye Contact:	Normally there are no obvious symptoms or effects.
Ingestion:	Normally there are no obvious symptoms or effects.

Section 12 - Ecological Information

12.1 Toxicity

No data available.

12.2 Persistence and degradability

No data available.

12.3 Bioaccumulative potential

No data available.

12.4 Mobility in soil

No data available

12.5 Results of PBT and vPvB assessment

No data available.

12.6 Other adverse effects

No data available.

Section 13 - Disposal Considerations

Waste treatment methods

Dispose of waste in compliance with current legislation, preferably via a certified collector or company.

Contaminated packaging

Return to supplier for recycling if possible. Disposal area must comply with the environment and national safety standard.

Section 14 - Transport Information

14.1 UN-Number

ADR/RID/ADN, IMDG(42-24), IATA Not applicable

14.2 UN proper shipping name

ADR/RID/ADN, IMDG(42-24), IATA Not applicable

14.3 Transport hazard class(es)

ADR/RID/ADN, IMDG(42-24), IATA

Class Not applicable

Label Not applicable

14.4 Packing group

ADR/RID/ADN, IMDG(42-24), IATA Not applicable

14.5 Environmental hazards Not applicable

14.6 Special precautions for user Not applicable

14.7 Transport in bulk according to Annex 1 of Marpol and the IBC Code Not available

14.8 Shipping/Additional Material The product is not classified as dangerous goods

UN"Standard Provisions" Not available

Section 15 - Regulatory Information

15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

No data available.

15.2 Chemical Safety Assessment

For this product a chemical safety assessment was not carried out.

Section 16 - Additional Information

16.3 Disclaimer

-This safety data sheet was prepared in accordance with UN GHS Rev.11.

-The data included was derived from international authoritative database and provided by the enterprise. Other information was based on the present state of our knowledge. We try to ensure the correctness of all information. However, due to the diversity of information sources and the limitations of our knowledge, this document is only for user's reference. Users should make their independent judgment of suitability of this information for their particular purposes. We do not assume responsibility for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product
